

Dear **Local Business**,

I am competing in the **NAME OF RACE** with **Save the Children** to raise awareness & funds for children in the United States & around the world. For 100 years, Save the Children has been giving children a healthy start in life, the opportunity to learn and protection from harm. When crisis strikes, they are always among the first to respond & the last to leave. They do whatever it takes to save children, transforming their lives & the future we share.

My fundraising goal is **YOUR GOAL HERE**, which will go a long way to help bring a better future and quality of life for children. In order to reach this goal, I am asking for the help of local businesses. I am currently seeking donations of gift cards, products or services from to support my fundraising event. I also hope to help promote your business through this event! I would love to discuss ideas & opportunities to help make this a success.
